President's Voice

BARW President's Voice

Put on Your Walking Shoes!

Many of you have asked how you can help our organization. One thing that never fails is volunteering. It's not for everyone, but take Block Walking for example. This is where the rubber meets the road. It gives people the opportunity to have a one on one special invitation from you to Get Out To Vote (GOTV). You will have the opportunity to knock doors, put out signs, or invite friends to coffee and educate them on the Voter Guide. Some people don't know why their vote is important!

Take it one step at a time. You might want to start with the Harris County Republican Party. Their soles are on fire. HCRP Chair, Cindy Siegel and her team are in it to WIN It! See the following invitation from HCRP GOTV:

<http://www.harriscountygop.com>

We all know a strong ground game is required to win elections in Harris County. We are building a list of volunteers who can block walk and/or man the phone bank over the next two weeks to support Republican Candidates running in some of the local May 1 elections. No experience is necessary! Once you are on the list, we will provide the

additional details for meeting times and locations. There will be Block Walks on Saturday, April 17 and Saturday, April 24, and the phone banks open beginning the week of Monday, April 19. Now let's build our ground game and get conservative candidates elected to our local government!

Your financial support will allow us to develop our local party, train and provide resources to volunteers and candidates, expand our voter base, and help Republicans win elections!

Let's help our candidates win their races!

About Our April Speaker

Steve Munisteri: A businessman and a former attorney from Houston, Texas, who in 2017 was appointed to the White House staff as deputy assistant to U.S. President Donald Trump and principal deputy director of the Office of Public Liaison. On June 13, 2010, Munisteri was elected chairman of the Republican Party of Texas at the state convention held in Dallas. He unseated the incumbent Cathie Adams who had held the position for only eight months. Munisteri became the first challenger in modern Texas Republican history to defeat a sitting incumbent for the position of state chairman. He left the chairmanship in 2015 to join the Rand Paul presidential primary campaign. Munisteri was active in politics early in his teenage years, first working as a volunteer for the campaigns of Texas Republicans Henry C. Grover and John Tower in 1972. He formed a conservative club at Memorial High School. In 1976, Munisteri was elected state vice chairman for Texas Young Americans for Freedom, was an active volunteer for Ronald Reagan, and attended the 1976 Republican National Convention. From 1977 to 1980, he served as state chairman of the YAF and was also elected to YAF's national board of directors. Under Munisteri's chairmanship, YAF began the practice of issuing legislative rankings for members of the Texas House of Representatives, a number of whom had more liberal voting records than their constituents had believed. Steve is currently serving as the Senior Advisor to Senator John Cornyn's campaign and chief liaison to the RPT and the 2020 Victory effort. 5 Greater Houston Council FRW Board News Bite
