President's Voice

BARW President's Voice

President's Message

Never Underestimate Your Opponent!

With so much turbulence happening in our nation, we cannot afford to underestimate our opponents. We now have the DELTA Variant of COVID- 19, which we thought would be behind us. The TxLege is battling amongst its parties. The State and Counties are at odds, not to mention our children are caught in the middle of all this with COVID numbers rising and heading back to school. Oh! We cannot leave out the BORDER DRAMA. It is past time to Awake the Sleeping Giant!

Please join us at the BARW, TxLege Update Breakfast on August 24th @ 7:30 a.m. with Senator Larry Taylor and Representative Dennis Paul. You won't want to miss this informative meeting. They are our frontline leaders. Come hear what they have to say about what is happening during Legislative Session. Your support is needed.

President's Voice Continued

TFRW is reporting growing numbers in our State, and the National Federation of Republican Women reports ballooning membership of 60,078. This means we are all working hard for the salvation of our Nation. There is a lot more to be done. Please join the Bay Area Republican Women in our endeavor to build the community, State, and National memberships. There is something for all of us to do.

Our sincere condolences and prayers go out to the Scott Apley family. He will be missed by many! We will update the membership when there is information about the memorial service. Please keep his wife and baby in your prayers.
